

# CAPE LOOKOUT NATIONAL SEASHORE

North Carolina

Alternative B:  
Reinstate PWC Use  
under a Special  
NPS Regulation with  
Additional Management  
Prescriptions (Preferred  
Alternative)

Under Alternative B,  
PWC would be allowed  
at flat-wake speeds  
perpendicular to shore only  
at the indicated special use  
areas

United States Department of the Interior/National Park Service WASO/June 2003/623/20061

## LEGEND

Other managed lands	Marshland	Water depth 0 - 2 meters	Ranger station - Seasonal	Picnic area	Parking - Permit
Maritime forest	Tidal flat	Water depth over 2 meters	Restrooms	Lodging (cabins)	Dump station
Beach and grassland	Ferry route	PWC use area*	Picnic shelter	Gas station	Water - Seasonal
			Showers		

\*PWC use areas would extend 150 feet from the shoreline at mean low tide; the map shows an exaggeration for location of PWC use areas only.

## VICINITY
